

CIRCULAR NO 12

Subject – Accredited Facility for Paving and Masonry Block Testing

Dear Valued Customers,

Date:09/02/2021

We are pleased to inform you that we have completed the accreditation process for Masonry Blocks, Paving Blocks, AAC Block and aggregate testing from EIAC (Emirates International Accreditation Centre). In addition to that we have also completed the accreditation for U value of Concrete Blocks and proud to announce that Falcon Laboratory is the First Accredited Independent Testing Laboratory Determination of Thermal Transmittance Properties of Blocks.

We request you to send your valuable enquiries related to testing services of Paving Blocks, Masonry Blocks, Roof Pavers, Kerbstone, Flange etc. The copy of our new accreditation certificate have been attached for your reference.

Thanking you,

Yours Sincerely,

Sohail Zafar

Technical Director
